**HOUSING AUTHORITY OF THE CITY OF PATERSON
Paterson Department of Community Development
Resident Advisory Board Meeting
Section 8 Program**

**2007 PHA Annual Plan
Thursday, May 17, 2007
5:00 P.M.**

The Meeting started approximately 5:15 PM., with Executive Director, Irma Gorham, asking everyone to introduce themselves (see attached sign-in sheet).

I. Gorham: You're here because this is the first time we are doing the Annual Plan on behalf of the City of Paterson Section 8 Program. The whole plan process is something that we will be doing consistently, every year, one as an update possibly and then putting together the five year plan. Why we're here is because the Housing Authority is administering the City's program and we want to think of it as a merger but we are just administering it at this point. So instead of operating the program at Ellison Street, all those functions have come over to the Housing Authority. This will be the place to state all your concerns, doing all of your processing; anything that will come to you will be on the Housing Authority letterhead. Gwendolyn Morrison, Director of Leasing & Occupancy was out of the room when we were introducing ourselves. As part of this Public Housing Agency review, it's done basically to meet the requirement of the Quality Housing and Work Responsibility Act that Congress put in place and the U.S. Dept. of HUD is responsible for all Housing Authorities and all Sec. 8 Programs. The Plan allows for participants such as yourself and other people from the community to ask questions and voice your opinion and to really see how this Plan is put together. So, Carol Gladis, and staff in her Dept., do the paper piece of it, putting it together, making sure it's submitted to HUD and then the other folks on this side of the table implement it and you're the beneficiary of all of their action, in terms of having the program work. Carol will go through the Plan. It is critical that as the RAB Advisory Board, you are here to participate. We will be talking to you from time to time and hope other folk you may know get involved. We did invite a number of people, a mix from other parts of town, of different ethnicity, family composition. We really appreciate the fact that you did show up.

C. Gladis: Fourteen were selected by the Leasing and Occupancy staff to participate on the RAB Board. Three of you showed up (**Ms. Reganna Brace** appears at 5:30PM) everybody has their binder (DCD Section 8 Annual Plan) and everybody needs to know that this is a requirement by HUD and that the RAB Board is an important part of interacting with the Housing Authority when Policies change. We are doing this on the fast track for combining the two programs and meeting the deadline of the City because they have a different fiscal year so we put this together in a timely format that we have to forward by HUD. After discussion today, the DCD Annual Plan will be on review for 45 days. We welcome your comments. Take this home and read it over and you can then come back if you have any questions or comments. The template is provided by HUD and we are required to fill it out and it is just for DCD, the vouchers that you hold.

The first part of the Plan relates to the goals. Page 1, 5 yr. plan talks about what we would like to see happen to the Sec. 8 program in the next five years such as getting more rental vouchers, build units, etc. We will work with residents for mobility counseling if you want to move to another State. Our goals are to have increased customer satisfaction and helping them with the voucher process.

Page 6 speaks on the Housing Needs of Families. It talks about the elderly and different family types. On the next page is the Wait List and you will notice the disclaimer near the top of the page because we have to rely on the City and those are the numbers we got from the City last year. We might have to amend the Plan later on in the year. Apparently the City of Paterson has disability vouchers and there is a waiting list for that.

The next page 8, talks about Strategies – and they were read. Some do not apply. We are targeting families with disabilities. There are some reasons why we cannot meet our goals, such as funding constraints, unavailable land, condemnation; these are some of the things that affect our not meeting our goals. Page 11 explains how much this program costs the government.

Go to page 17, Section 8: Eligibility. One of the things we do is screen potential tenants for drug-related activity and if you have any questions, Gwen can explain. SWICA is the State Wage information in some cases people tries to commit fraud. Move on to Wait List: We are not merging it; you can apply at the main office, and have 60 days to search for a unit. With a legitimate reason you will be given more time to find a unit.

On page 19, we have established a Domestic Violence Policy. A big push on the national level is that we made domestic violence a preference. For the City Section 8, the PHA has a domestic violence policy.

I. Gorham: For victims of domestic violence, there is a policy that must be adhered to.

C. Gladis: For the PHA we made domestic violence a Policy, not a preference. Date and time of application is a preference.

G. Morrison: For Section 8, it's a Policy and states what we will do if someone comes in. In Public Housing, it's a preference.

C. Gladis: Go to Section 8 Tenant-Based Assistance on page 24 and it talks about our payment standards. How we pay the landlord his rent. Our payment standard (a) is at or above 90% but below 100% of Fair Market Rent. We reevaluate the FMR every year to make sure we are current. The City of Paterson had a \$25 minimum. The Housing Authority has increased the minimum rent to \$50. On page 25, it talks about number of families served this year, 1071. We are expecting 50 or more families to turn over their vouchers. Are there any questions? We are going to Gwen.

I. Gorham: One thing we should mention is homeownership.

C. Gladis: The Housing Authority is a HUD Certified Homeownership Program. As a matter of fact, they meet at 6:00 tonight. We also have a Section 8 first time Homebuyers Program and we are having a Housing Fair at Christopher Hope Center on June 6th, from 3 to 7PM.

G. Morrison: Review of the changes to the Sec. 8 Administrative Plan. HUD's Section 8 Program has certain rules in place tailored to each Agency. So, basically if it's in your Admin. Plan, yes, and if its not, you can't do it.

I. Gorham: Minimum rent would be an item in the Admin. Plan. \$50. You could call it the Bible of how we do business.

G. Morrison: You get a utility allowance. Some folk get \$5, \$3, I think the highest one I've seen is \$169 and that is very rare. The changes we are doing for the City of Paterson and the Housing Authority Admin. Plan will be the same. We did add Domestic Violence to our Plan. It's not a Preference, just a Policy and that includes men and women. Fair Market Rent changes every year in October. I have a copy of it and you can have that. The City of Paterson Wait List ... we don't know what the Wait List is right now and we will address that very shortly.

I. Gorham: There is a list ... a physical list. It's just that in the scheme of work before us, the Wait List is not the number one priority and the wait list is closed.

C. Gladis: You might want to tell them how it is going to be done after it is figured out and the way we do our (PHA) wait list.

D. Brown: The thing is ... part of the Admin. Plan discussed how it is going to be and since that is being under review it will be run by the Board and that will determine how it is done. You are actually required to update that list every year. Send a letter out to everyone on the list, have them send back their information and if it doesn't come back in a period of time, then that person goes off the list.

I. Gorham: and, I think, to our understanding, that happened with the list sometime ago ... with the list we are holding.

D. Brown: By the way that list is under lock and key so that if anybody says there is no list, there is one ... under lock and key and sometime very soon we will be taking that list ... the process we are going to use to update it hasn't been decided at this point and the reason it hasn't is because we need to determine what is the best way, the most cost effective way to put this Agency in good standing. We have a couple of ideas and we will decide what is the best way to go forward when we address it in July or August.

G. Morrison: After all that is taken care of then DCD is going to match the PHA. We have the lottery system in place here and will advertise in the paper. Establish a wait list of 300 people and then the wait list is created.

D. Brown: The regulations state that you are supposed to have one and a half times the number of your vouchers so we're taking about 2000 names. 2000 sounds like a lot. You can call 5 people in and maybe one might qualify because of the drug testing, background check, income and a whole host of things.

I. Gorham: When we did the 300, initially we only had 50 vouchers and we didn't want to have 200 people on the list. Also, the people on the program are not quite accurate. People pass, people move off the program. A number of those people on the list will be eliminated and we might end up advertising.

Can you think of something else that we need to add? We had five things ... There is also a process for Grievance that is in the Admin. Plan and currently we're doing it with the assistance of staff. Maybe 2 people and our Attorney. We are going to go out and have a panel of Attorneys if you have a Grievance.

C. Gladis: Any questions, concerns. You have my number, review it and call me.

T. Laurrane: The people with disability. How are you deciding that, the parent?

Gorham: The Law requires any member of the household. The definition includes anyone in the household. Any family member.

T. Laurrane: Then what does that allow them?

D. Brown: It is usually a special need. The unit is handicapped where the doors are wider, counters are low.

T. Laurrane: On your wait list... it speaks of preference.

I. Gorham: The program refers to individuals on the wait list. There is different a kind of money for the disabled. For the Section 8 disabled, I am not certain the pot of money we are working from has that. The list we're looking at now is traditional folk and the disabled.

T. Laurane: Let's say I decide I want to move to another State, how would I use my voucher then?

I. Gorham: The same. As long as it's in the USA. This is a first. Most folks don't see it as a resource. It can be used in Puerto Rico, Alaska, Virgin Islands, all over the United States.

G. Morrison: People don't use it in that way. They stay within their circle.

T. Laurrane: People are afraid to ask how far does my voucher go?

I. Gorham: There are two things we're going to work on as we move forward ... that we are going to really work on. One is a clear understanding of the program. It's just not a piece of paper. I think during the orientation we will do ten to fifteen people at one time.

We're going to really try to address the needs of the folk in the program. It may take more commitment to the education piece ... the orientation piece. We're all on the same page. We will address how you lose the voucher, what are rights and responsibility of your landlord to you, what is required for a Grievance Hearing. We're going to be doing all those things. We will be inspecting all the apartments so that everyone will know the process. The Section 8 is a commodity.

D. Brown: Another part of that process will be not only explaining the usual things but it will be briefings prior to re-examinations so that people know before their lease expires that they do have the ability to move. Some people know it because they move every year. Some people don't know it. What we will also do in that process we will give you areas in the State where you can move, once we gather a bank of landlords.

L. Holmes: My voucher comes from Bergen County. That's where I got my Section 8 from and they already let you know. I just didn't know how to go about it. I've been in the program four (4) years. It took me fifteen years to get it. I'd like to keep it but I would like to move out of Paterson.

I. Gorham: As you go through the Annual Plan Template take a close look at it and if you have any questions call. The boxes that are not filled really apply to our public housing program ... the Housing Authority, and we've completed that already. What's the next thing on the schedule?

C. Gladis: The next thing on the schedule is that it's in the paper tomorrow. Then we have a 45 day review period. We take the document, put it downstairs in our conference room and put out all our policies and anybody can come to review it. We also put it on the website, at City Hall, the library. We give anybody an opportunity to comment. We prefer it in writing. In 45 days, we will have a public hearing here and that will be on July 9th, chaired by our Board Chairman. We go through the entire process again and make any changes that occurred. Then we adopt it at a Board meeting and send it electronically to HUD and then we met our requirement for the year. In the upcoming years, we will have more time to work with the RAB board. Maybe have several meetings and get input. This is new to us and you. It's an Administrative change on handling of your voucher. You have our numbers and Gwen's number (973) 345-5151. Take a look at your Housing Counseling package The Fair will be on Temple Street. It's really a nice event. The Fair is from three to seven. Let me get you some flyers before you go.

The Meeting concluded at 6:15PM.
